Subject: South Carolina Dual Party Relay Fund Docket No. 2013-124-C
Effective no later than June 1, 2013
Monthly Charge Increase

Dear Regulatory Manager:

On April 17, 2013, the Public Service Commission of South Carolina ("PSC") voted to approve the Office of Regulatory Staff's request to increase the monthly charge for the Dual Party Relay Fund (Order No. 2013-252). **Effective no later than June 1, 2013, the monthly charge is $0.25 per residential and business access line.**

The PSC's rules allow a telecommunications carrier to collect the monthly charge for dual party relay from the customer as a separate line item. All dual party relay funds collected from customers are remitted to the Office of Regulatory Staff on a monthly basis.

Should you have any questions concerning the Dual Party Relay Fund, please contact me at (803)737-0814.

Sincerely,

Dawn M. Hipp
