Subject: Notice of Waiver of Requirement: Annual Report

Dear Class C Motor Carrier:

The SC Public Service Commission ("PSC") voted on January 30, 2013, to waive Regulation 103-231 regarding the filing of Annual Reports for passenger carriers. Based on PSC Order No. 2013-71, Class C Taxi, Class C Charter, Class C Non-Emergency and Class C Stretcher Van motor carriers are **no longer required** to file an Annual Report. The Office of Regulatory Staff ("ORS") has included a copy of the PSC Order on the reverse side of this letter for your reference.

ORS appreciates your efforts to comply with all regulations governing safe motor carrier operations. Please contact me at 803/737-0814 or dhipp@regstaff.sc.gov with any questions related to the PSC waiver.

Sincerely,

Dawn M. Hipp
Director
Office of Regulatory Staff
